

In-Home Parenting Program

A **free** evidenced-based program for parents of children ages birth - five seeking to focus on creating safe, healthy, and nurturing experiences for families and children to learn and grow!

SafeCare partners with families by offering **FREE** weekly in-home visits to build upon and strengthen parental skills that will lead to a pathway of a confident and hopeful future.

- Keep your home safe for your child
- Manage your child's behavior and build a stronger relationship
- Gain access to important community supports
- Keep your child healthy and reduce risk for illness and injury
- Enhance your confidence and knowledge around parenting
